

LIBRARY PUBLISHING

BEYOND THE CAMPUS

Library publishing: Activities led by college and university libraries to support the creation, dissemination, and curation of scholarly, creative, and/or educational works. Based on core library values, a preference for Open Access, and informal and experimental forms of scholarly communication.

University of Pittsburgh

<http://library.pitt.edu/e-journals>
Represented by Lauren B. Collister
lbcollister@pitt.edu

- *Partnered externally from the start of program.
- *Partners include scholarly societies, teams of scholars, other universities and departments.
- *No campus connection required.
- *Annual fees charged for all journals, 50% discount for Pitt editors.
- *Of 40 active journals, 15 are fully external with no Pitt connection.

University of Minnesota

<http://lib.umn.edu/publishing>
Represented by Emma Molls
emolls@umn.edu

- *Expanded business model to include external partners in 2017.
- *Campus faculty requested inclusion of their scholarly societies during proposal stage.
- *Annual fees charged for works not housed at UMN, no fee for UMN works.
- *Of 20 serials, 3 external publications in development.

Benefits of going beyond the campus:

Increase quality content within publisher portfolio. Higher impact of program.
Investment in infrastructure on campus. Connect to & showcase library role in OA movement.

Drawbacks of going beyond the campus:

Confusion for indexing and abstracting services. Navigating university legal requirements.
Justifying off-campus work to administrative level.
