

FOREWORD

I wish to express my sincere gratitude to my advisor, Dr. Regis R. Vollmer for his constant advice, support and encouragement during the conduct of the research and the preparation of this document. I also wish to thank Dr. David J. Edwards for all his help and advice with the essays. Sincere gratitude is also extended to other members of my thesis committee, Drs. Janet Amico, Balwant Dixit and Subhash Vyas for their valuable comments and suggestions during the course of my research.

I wish to thank Judith J. Balcita, Camille Price, Micheal Tortorici, Joseph Karam for their technical assistance and their friendships; fellow graduate students and friends for their physical and moral support and the excellent secretarial staff who took care of all my paper work.

Finally, I wish to express my special appreciation to my husband, Atif, my parents, my siblings and my uncle and aunt for their unfailing support, love and encouragement.
